Subject: Upcoming Faculty/Staff Survey for the 2022 Great Colleges to Work For Program

I am pleased to announce that we are once again participating in the Great Colleges to Work For program! By continuing to participate, we are able to track our progress and gain valuable internal and external benchmarking.

As we continue to contend with a global pandemic and budget shortfalls from the economic downturn, we remain committed to taking care of our students and our faculty and staff. Therefore, we view this survey as a great opportunity to assess the climate of our campus after a year of unforeseen challenges, and to demonstrate our willingness to listen to your concerns.

For recognized institutions: Thanks to our valuable 2021 survey respondents, we were recognized in [category]. We should all be proud of such an accomplishment! This year affords us the same opportunity and I encourage you all once again to share your insights. Although recognition is not guaranteed, I remain wholly optimistic about the value we can derive from this program.

For not recognized institutions: Thanks to our valuable 2021 survey respondents, our results yielded valuable information that has allowed us to identify opportunities and make informed strategic decisions. By participating again this year, we will be able to track our progress thus far and decide on appropriate next steps. Regardless of whether or not we are recognized, we will receive invaluable data that will be helpful as we strive to create the best workplace possible.

Once again, thank you to all who participated last year! I hope those of you who receive invitations this year will share your honest feedback!

Please note the survey is voluntary and completely confidential; our institution will not be able to trace results back to individuals. Your survey will be processed by ModernThink LLC, an independent management consulting firm focusing on workplace quality in higher education. They can be reached at 888.684.4658 or at surveys@modernthink.net.

Thank you, in advance, for your participation. Please contact [insert name and contact information of your organization's survey coordinator], or visit www.GreatCollegesProgram.com, if you have any questions!
